The meeting was called to Order at 13:00 hrs. by the President with 7 members present.

There was some discussions on how we could remind resident family members of our meetings. The ideas of a fridge magnet type of business card and regular business cards were suggested. One member advised he would have a business type card prepared for the Council to consider.

Round Table

A concern was raised about resident diet.

June is Family Council Week. Some discussion on what we could do for it. Ideas were: display in the lobby showing who we are and what we represent, coffee/tea.

The Manor has a new Physiotherapist. It was suggested that he be invited to our next meeting for a meet and greet.

Adjourned at 14:00 hrs.

NOTE: There was no February meeting due to a snow/ice storm.
