

# March 2017

The Activity calendar is subject to change after the time of printing. Outings on the bus are planned throughout the month to a variety of venues. The outings are preplanned to ensure resident safety and sufficient staffing to support the number of people in the group. The activation department must be contacted at least one day in advance if a resident would like to attend an outing. Hear an announcement of daily activities by dialing “1111” on your telephone
