### CORPORATION OF THE COUNTY OF HASTINGS

For The Year Ended December 31, 2023

#### MANAGEMENT REPORT

The accompanying consolidated financial statements of the Corporation of the County of Hastings are the responsibility of management and have been approved by Council.

The consolidated financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The County maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the County's assets are appropriately accounted for and adequately safeguarded.

The County's Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving financial statements.

Council reviews and approves the County's financial statements for issuance to the members of Council, inhabitants and ratepayers of the Corporation of the County of Hastings. Council meets periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities and to review the financial statements and the independent auditor's report.

The consolidated financial statements have been audited by Baker Tilly KDN LLP in accordance with Canadian generally accepted auditing standards on behalf of the County. Baker Tilly KDN LLP has full and

free access to Council.

### INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the County of Hastings

#### Opinion

We have audited the consolidated financial statements of the Corporation of the County of Hastings and its local board (the County), which comprise the consolidated statement of financial position as at December 31, 2023, the consolidated statements of operations and accumulated surplus, remeasurement gains and losses, change in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the County as at December 31, 2023, and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the County in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the County's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the County or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the County's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the County to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the consolidated financial information of the
  entities or business activities within the County to express an opinion on the consolidated financial
  statements. We are responsible for the direction, supervision and performance of the group audit.
  We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended December 31, 2023

The County of Hastings is an upper tier municipality in the Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes such as the Municipal Act, Municipal Affairs Act and related legislation.

### 1. SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements have been prepared in accordance with the standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook. Significant aspects of the accounting policies are as follows:

## (a) Reporting Entity

These consolidated financial statements reflect the assets, liabilities, revenues and expenses and accumulated surplus of the reporting entity.

The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the County and which are owned and controlled by the County. These consolidated financial statements include:

Hastings Local Housing Corporation

All interfund assets and liabilities and revenues and expenses are eliminated.

## (b) Recognition of Revenues and Expenses

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues in the period in which the transactions or events occurred that give rise to the revenue; expenses are recognized in the period the goods or services are acquired and a legal liability is incurred or transfers are due.

### Taxation

The County establishes the tax rates annually based on the amount required to be raised. These tax rates are used to levy amounts to the lower tier municipalities are based on their annual assessment. Adjustments to the lower tier levy amounts for additions to and reductions in assessment are reported in the consolidated financial statements when amounts can be reasonably determined.

### Government Funding

Government funding is recognized in the financial statements as revenues in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made.

#### Other revenue

Fines levied under the Provincial Offenses Act 1997 are recognized when the funds are received. (see note 16).

User charges are recognized as revenue in the year the goods and services are provided.

Investment income is recorded when earned.

Canada Community-Building Fund is recognized in the period in which the related expenditures are recorded.

### (c) Financial Instruments

Financial instruments are classified as either fair value or amortized cost. The following chart shows the measurement method for each type of financial instrument.

Financial Instrument	Measurement Method	
Cash	Amortized Cost	
Investments	Fair Value	
Trade and other receivables	Amortized Cost	
Long term receivables	Amortized Cost	
Accounts payable and accrued liabilities	Amortized Cost	
Long term debt	Amortized Cost	

Fair value category: The County manages and reports performance for groups of financial assets on a fair-value basis. Investments traded in an active market are reflected at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs related to the acquisition of investments are recorded as an expense. Unrealized gains and losses on financial assets are recognized in the Statement of Remeasurement Gains and Losses until such time that the financial asset is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the Statement of Operations and Accumulated Surplus and related balances reversed from the Statement of Remeasurement Gains and Losses.

Amortized cost category: Amounts are measured at the initial recognition minus principal repayments, plus or minus the cumulative amortization using the effective interest rate method of any difference between the initial amount and the maturity amount, and minus any reduction for impairment or uncollectibility. The effective interest method is a method of calculating the amortized cost of a financial asset or financial liability (or a group of financial assets or financial liabilities) and of allocating the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, when appropriate, a shorter period to the net carrying amount of the financial instrument asset or financial instrument liability.

The following hierarchy provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which fair value is observable:

- Level 1 Unadjusted quoted market prices in active markets for identical assets or liabilities;
- Level 2 Observable or corroborated inputs, other than level 1, such as quoted prices for similar assets or liabilities in inactive markets or market data for substantially the full term of the assets or liabilities; and
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities.

### (d) Deferred Revenue

Deferred revenue represents grants, user charges and fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed.

## (e) Asset Retirement Obligation

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- · It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

A liability for the removal of asbestos in several of the buildings owned by the County has been recognized based on estimated future expenses for remediation or disposal.

The liability is discounted using a present value calculation, and adjusted yearly for accretion expense and any amounts paid. The recognition of a liability resulted in an accompanying increase to the respective tangible capital assets. The increase to the tangible capital assets is being amortized in accordance with the amortization accounting policies outlined in (f).

### (f) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Initial costs for tangible capital assets that were acquired or developed prior to 2009 were obtained using historical cost information or using current fair market values discounted by a relevant inflation factor to the point of acquisition. The cost, less residual value, if any, of tangible capital assets is amortized, over the expected useful life of the asset, as follows:

Land improvements 25-50 years straight-line Buildings 50-100 years straight-line Building components 10-50 years straight-line

Leasehold improvements current lease term plus one renewal term

Machinery and equipment
Ambulances
Other vehicles
Computer hardware and software
Roads and bridges

2-50 years straight-line
percentage of use
7 years straight-line
4 years straight-line
15-50 years straight-line

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

Tangible capital assets categorized as assets under construction are not amortized until they are put into service.

### (g) Non-financial Assets

Tangible capital and other non-financial assets are accounted for as assets by the County because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the County unless they are sold.

### 1. SIGNIFICANT ACCOUNTING POLICIES, continued

#### (h) Reserves and Reserve Funds

Certain amounts, as approved by Council, are set aside in reserves and reserve funds for future operating and capital purposes. Transfers to and/or from reserves and reserve funds are an adjustment to the respective fund when approved.

### (i) Use of Estimates

Certain items recognized in the consolidated financial statements are subject to measurement uncertainty. The recognized amounts of such items are based on the County's best information and judgment. By their nature, these estimates are subject to measurement uncertainty and the effect on the consolidated financial statements or changes in such estimates in future periods could be significant. The County's significant estimates include:

- The amounts recorded for amortization of tangible capital assets are based on estimates of useful life and residual values;
- The values of employee future benefits payable depend on certain actuarial and economic assumptions; and
- The amount recorded as allowance for doubtful accounts receivable is based on management's estimate of future payments on receivable account balances.

In addition, the County's implementation of PS3280 Asset Retirement Obligations has resulted in the requirement for management to make estimates regarding the useful lives of affected tangible capital assets in conjunction with estimates of expected asset retirement costs, as well as the timing and duration of these retirement costs.

### (j) Trust Funds

Trust funds and their related operations administered by the County are not included in these consolidated financial statements but are reported on separately on the Trust Funds Statement of Continuity and Statement of Financial Position.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended December 31, 2023

### 2. CHANGES IN ACCOUNTING POLICIES

The County has implemented the following sections which are now effective under the PSA Handbook: PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments, PS 3450 Financial Instruments and PS 3280 Asset Retirement Obligations were adopted prospectively on January 1, 2023.

PS 1201 Financial Statement Presentation replaces PS 1200 Financial Statement Presentation. This standard establishes general reporting principles and standards for the disclosure of information in government financial statements. The standard introduces the Statement of Remeasurement Gains and Losses separate from the Statement of Operations. Requirements in PS 2601 Foreign Currency Translation, PS 3450 Financial Instruments, and PS 3041 Portfolio Investments, which are required to be adopted at the same time, can give rise to the presentation of gains and losses as remeasurement gains and losses.

PS 2601 Foreign Currency Translation replaces PS 2600 Foreign Currency Translation. The standard provides comprehensive requirements for the recognition, measurement, presentation and disclosure of foreign currency transactions. The adoption of this standard did not have an impact on the County's consolidated financial statements.

PS 3041 Portfolio Investments replaces PS 3040 Portfolio Investments. The standard provides revised guidance on accounting for, and presentation and disclosure of, portfolio investments to conform to PS 3450 Financial Instruments.

PS 3450 Financial Instruments establishes accounting and reporting requirements for all types of financial instruments including derivatives. Financial instruments are included on the statement of financial position and are measured either at fair value or cost or amortized cost based on the characteristics of the instrument and the County's accounting policy choices (see Note 1. Significant Accounting Policies). The new standard provides comprehensive requirements for the recognition, measurement, presentation and disclosure of financial instruments.

In accordance with the provisions of PS 3041 and PS 3450, the County reflected the following adjustments at January 1, 2023:

 A loss of \$263,219 to the accumulated remeasurement gains/(losses) due to the unrealized loss of the County investments previously recorded as cost.

PS 3280 Asset Retirement Obligations addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets, such as asbestos removal in retired buildings by public sector entities. The new accounting standard has resulted in a withdrawal of the existing Section PS 3270 – Solid Waste Landfill Closure and Post-Closure Liability.

In accordance with the provisions of this new standard, the County reflected the following adjustments at January 1, 2023:

### Asbestos Obligation

 An increase of \$12,319,142 to the buildings tangible capital asset account and a corresponding increase to the opening asset retirement obligation liability.

### 6. CREDIT FACILITY AGREEMENT

The County has a revolving credit facility agreement with its main financial institution. The amount available at any time is limited to \$5,000,000 via an operating loan. Any balance borrowed will accrue interest at the bank's prime lending rate less 0.75% per annum. At December 31, 2023 there was no balance outstanding.

#### 7. CONTINGENT LIABILITIES

The County, in the course of its operations, is often named in lawsuits the outcomes of which are indeterminable at this time. No amounts in connection with these items have been reflected in these financial statements.

### 8. ASSET RETIREMENT OBLIGATION

The County's asset retirement obligation consists of the following:

### (a) Asbestos obligation

The County owns and operates several buildings that are known to have asbestos, which represents a health hazard upon demolition of the building and there is a legal obligation to remove it. Following the adoption of PS 3280 – Asset Retirement Obligations, the County recognized an obligation relating to the removal of the asbestos in these buildings as estimated at January 1, 2023. The buildings have a revised estimated useful life of 20 years. Estimated costs to remediate the asbestos at the end of their useful life has been discounted to the present value using a discount rate of 4.68% per annum.

Changes to the asset retirement obligation in the year are as follows:

Asset Retirement Obligation	Asbestos removal \$
Opening balance - January 1, 2023 Adjustment on adoption of the asset retirement obligation standard	- 12,319,142
Opening balance, as restated Accretion expense	12,319,142 576,536
Closing balance	12,895,678

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS For the Year Ended December 31, 2023

### 9. EMPLOYEE FUTURE AMOUNTS PAYABLE

Certain employee benefits payable are shareable with the City of Belleville and the City of Quinte West. The portion recoverable from the noted municipal partners at December 31, 2023 is included in the long term receivables.

Actuarial estimates of the future liabilities have been completed and form the basis for the estimated liabilities reported in these consolidated financial statements.

Employee future amounts payable includes the following:

	2023	2022
	\$	\$
Post employment benefits	3,000,168	2,821,106
Future payments for WSIB costs	8,485,365	7,195,264

Other amounts payable	3,309,778	3,465,769
	14,795,311	13,482,139

The actuarial valuation for post-employment benefits as at December 31, 2021 was based on a number of assumptions about future events, such as inflation rates, interest rates, medical inflation rates, wage and salary increases and employee turnover and mortality. The assumptions used reflect management's best estimate. The main actuarial assumptions employed for the valuation are as follows:

Expected inflation rate	1.75%
Future health care cost rates - 2023	5.42%
Future health care cost rates - 2024 - 2028	Decreasing 0.333% per year
Future health care cost rates - 2029 thereafter	3.75%
Future dental cost rate escalation	3.75%
Future salary escalation	2.75%
Future cost of long term debt (discount rate)	4%

Less: benefit payments	(314,289)	(341,782)
Liability at December 31	3,000,168	2,821,106

The actuarial valuation for future payments for WSIB costs as at December 31, 2021 was based on a number of assumptions about future events, such as inflation rates, interest rates, expected future WSIB payments per lost time injury, wage and salary increases and employee turnover and mortality. The assumptions used reflect management's best estimate. The main actuarial assumptions employed for the valuation are as follows:

Discount rate	3.00%
Loss of earnings benefits	137%
Expected inflation rate	2.5%
WSIB administration fee	23%
Loss time injury count	38
Mean term of future payments	9 years

The continuity of the liability for future payments for WSIB costs is as follows:

	2023	2022 \$

### 12. FINANCIAL INSTRUMENTS

Transactions in financial instruments may result in the County assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments.

The County is exposed to the following risks:

### (a) Interest rate risk

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in market interest rates. The value of fixed income securities will generally rise if interest rates fall and conversely fall when rates rise.

### (b) Credit risk

Credit risk is the risk that one party to a transaction will fail to discharge an obligation and cause the other party to incur a financial loss. The County has limited exposure to credit risk as most receivables are due from Municipal, Provincial and Federal levels of government.

In the opinion of management, the County is not exposed to any significant liquidity or currency risk.

### 13. PENSION AGREEMENTS

Certain employees of the County are eligible members of the Ontario Municipal Employees Retirement System (OMERS), a multi-employer pension plan.

The Actuarial Opinion contained in the 2023 Annual Report disclosed total actuarial liabilities of \$136,185 million in respect of benefits accrued for service with actuarial assets of \$131,983 million indicating an actuarial deficit of \$4,202 million. Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the County does not recognize any share of the OMERS pension surplus or deficit.

The County's required contributions to OMERS in 2023 were \$4,354,553 (2022 - \$3,569,997).

### 15. BUDGET FIGURES

The budget, approved by the County, for 2023 is reflected on the Consolidated Statement of Operations and Accumulated Surplus and the Consolidated Statement of Change in Net Debt. The budget established for capital investment in tangible capital assets are on a project-oriented basis, the costs of which may be carried out over one or more years and, therefore, may not be comparable with current year's actual amounts. Budget figures have been reclassified for the purposes of these financial statements to comply with PSA reporting requirements. Budget figures are not subject to audit.

#### 16. PROVINCIAL OFFENCES OFFICES

As a result of the provincial-municipal restructuring under Bill 108, streamlining of administration of Provincial Offences Act ("POA") 1997, the County has assumed responsibility and administration of the POA office and courts.

Revenues from the POA office consists of fines levied under Part I and III (including delay penalties) for POA charges filed at 253 Pinnacle Street in Belleville. Offenders may pay their fines at any court office in Ontario, at which time, their receipt is recorded in the Integrated Courts Operations Network system ("ICON") operated by the Province of Ontario. The County of Hastings recognizes fine revenue when the receipt of funds is recorded by ICON and matched to the offence notice, regardless of the location where payment is made.

### 17. SOCIAL HOUSING

The County of Hastings Housing Corporation was incorporated under Part III of The Ontario Business Corporations Act in response to the Province's overall initiative to devolve Social Housing to local municipalities. The Corporation currently provides 1,433 units of subsidized housing to its tenants and their families.

As the Service Manager, on behalf of the Cities of Belleville and Quinte West and the County of Hastings, the County is now the sole shareholder of the Corporation.

On January 1, 2001 the Ontario Housing Corporation transferred 1,115 units and certain head office assets to the Corporation. The properties transferred carried the following restriction:

"The properties cannot be transferred or mortgaged or otherwise encumbered, developed or redeveloped .... or disposed of by any person without prior consent of the Minister of Municipal Affairs and Housing."

### 18. SEGMENTED INFORMATION

The County of Hastings is a municipal government organization that provides a range of services to its residents. County services are reported by function and their activities are separately disclosed in the segmented information.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Certain allocation methodologies are employed in the preparation of segmented financial information. Taxation is allocated based on each segment's net requirements. Internal transfers include rent charges which are allocated based on the segment's square footage usage of the County's buildings and computer replacement costs that are allocated based on the segment's proportionate share of the total number of devices. Allocated administration includes the following: 1) Governance costs that are allocated based on the segment wages and benefits that are allocated based on the estimated percentage of time each employee spends working for each segment and other costs that are allocated based on the average percentage of corporate management wages and benefits allocated to each department; 3) Human resources wages and benefits that are allocated based on the segment's proportionate share as determined by head count; and 4) Information technologies wages and benefits that are allocated based on the segment's proportionate share of the total number of devices.

#### INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the County of Hastings

### **Qualified Opinion**

We have audited the financial statements of the Trust Funds of the Corporation of the County of Hastings (the Trust Funds), which comprise the statement of financial position as at December 31, 2023, the statement of continuity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust Funds as at December 31, 2023, and the continuity of the Trust Funds for the year then ended in accordance with Canadian Public Sector Accounting Standards.

#### Basis for Qualified Opinion

In common with many municipal trust funds, the completeness of the revenue derived from resident receipts and donations are not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Trust Funds. Therefore, we were not able to determine whether any adjustments might be necessary to resident receipts and donations for the years ended December 31, 2023 and 2022, and assets and fund balances as at December 31, 2023 and 2022. Our opinion on the financial statements for the year ended December 31, 2022 was modified accordingly because of the possible effects of this scope limitation.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust Funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Funds' financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error, as
  fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
  internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Trust Funds' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

TRUST FUNDS
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended December 31, 2023

#### 1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook.

### (a) Basis of Accounting

Revenue and expenses are reported on the accrual basis of accounting which recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

### (b) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period and are based on the County's best information and judgment. Actual results could differ from these estimates.

### 2. PURPOSE OF TRUSTS

Benevolent Trust - On November 25, 1987, the Corporation of the County of Hastings (through Hastings Centennial Manor) was bequeathed with funds from the estate of Robert Clark. Interest on the funds are to be used to purchase items for the enjoyment of the residents, not covered by the Home's normal operating budget.

Centennial Manor and Hastings Manor - These funds are for these Homes for the Aged, Long Term Care residents and represent their personal funds that are to be used exclusively for the residents' personal items.

#### 3. INVESTMENT

The investment is stated at fair value and includes purchase amount plus accrued interest. The investment consists of a term deposit which earns interest at the rate of 5.35% (2022 - 3.15%) and matures on December 22, 2024.
