What is being proposed? The Township is seeking input on a development application within 120 metres of your property that would require a rezoning.

The purpose and effect of the Zoning By-law Amendment(s): To amend the Township's Comprehensive Zoning By-law 21-2012 to rezone the **Rural (RU) Zone** to the **Industrial Exception No. 6 (M-6) Zone**. The effect of the by-law is to permit the development of a Contractor's Yard and a Self Storage Facility. The exception will permit a rear yard setback of 14.5 metres and permit a minimum front yard setback of 3.8 metres for outdoor storage berms.

Prior to development, as site plan control application is required (per By-law 4-96).

A key map is attached.

Written comments are requested seven (7) days prior to the meeting so that they can be reviewed by Planning Staff before a final recommendation report is prepared and so they may be read at the public meeting for the benefit of everyone in attendance.

What can I expect at the Public Meeting?
The public meeting is an opportunity for members of the public to learn more about the proposal. Attendees can hear a brief presentation about the proposal, ask questions, and/or make verbal or written statements either in favour of, or in opposition to the proposed Zoning By-law Amendment. At the meeting members of the public will also hear a summary of any comments received about the proposed development prior to the public meeting.

When will a decision be made?
A decision on this proposal has NOT been made at this point and will NOT be made at the Public Meeting. After reviewing the application and any comments received, staff will bring a recommendation on this proposal to a Council meeting, which may occur following the public meeting on the same date.

Your rights to appeal a decision:

Any specified person or public body may appeal the above-noted zoning by-law amendment to the Ontario Land Tribunal by filing with the Clerk of the Township of Madoc by no later than the specified date on the Notice of Decision.
