

THE COUNTY OF HASTINGS INVITES QUOTES FOR AREA WEED INSPECTOR SERVICES FOR HASTINGS COUNTY AND IT'S FOURTEEN (14) MEMBER MUNICIPALITIES

The Area Weed Inspector will be responsible to undertake the administration and enforcement of the Weed Control Act on behalf of The County of Hastings. The Area Weed Inspector will be required to respond to complaint-driven work requests from ratepayers or municipalities within the County of Hastings regarding the potential for noxious weeds on private or public lands.

Weed Inspector Qualifications:

- Have a thorough knowledge and understanding of the Weed Control Act
- Have a thorough knowledge of common weeds, their names, habits and methods of control
- Have a working knowledge of management options that are available for use in weed control programs, when and where they should be applied and their limitations
- Be intimately familiar with the area and have a good knowledge of local crop and weed situations
- Have proven interpersonal skills
